

7 Reasons To Select A Climate Controlled Storage Unit

Reasons to consider upgrading from a basic storage unit to a climate controlled unit

1. Replacement Cost Of Your Items

The cost of replacing valuable items can be significantly more than the cost of a climate controlled room.

2. Irreplaceable Items

Items that cannot be replaced if ruined by improper storage conditions.

3. A Pleasant Visit

Climate controlled storage provides a moderate year-round temperature for you (when you visit).

4. Protection For An Extended Period Of Time

If you need to extend your storage, climate controlled units offer protection you may not have originally considered.

5. The Best Protection For Fragile Items

Moderated temperature and humidity offer the best conditions for fragile item storage.

6. Moderated Temperature

The moderated temperature of a climate controlled unit eliminates extreme temperature fluctuations.

7. Not Prone To The Elements

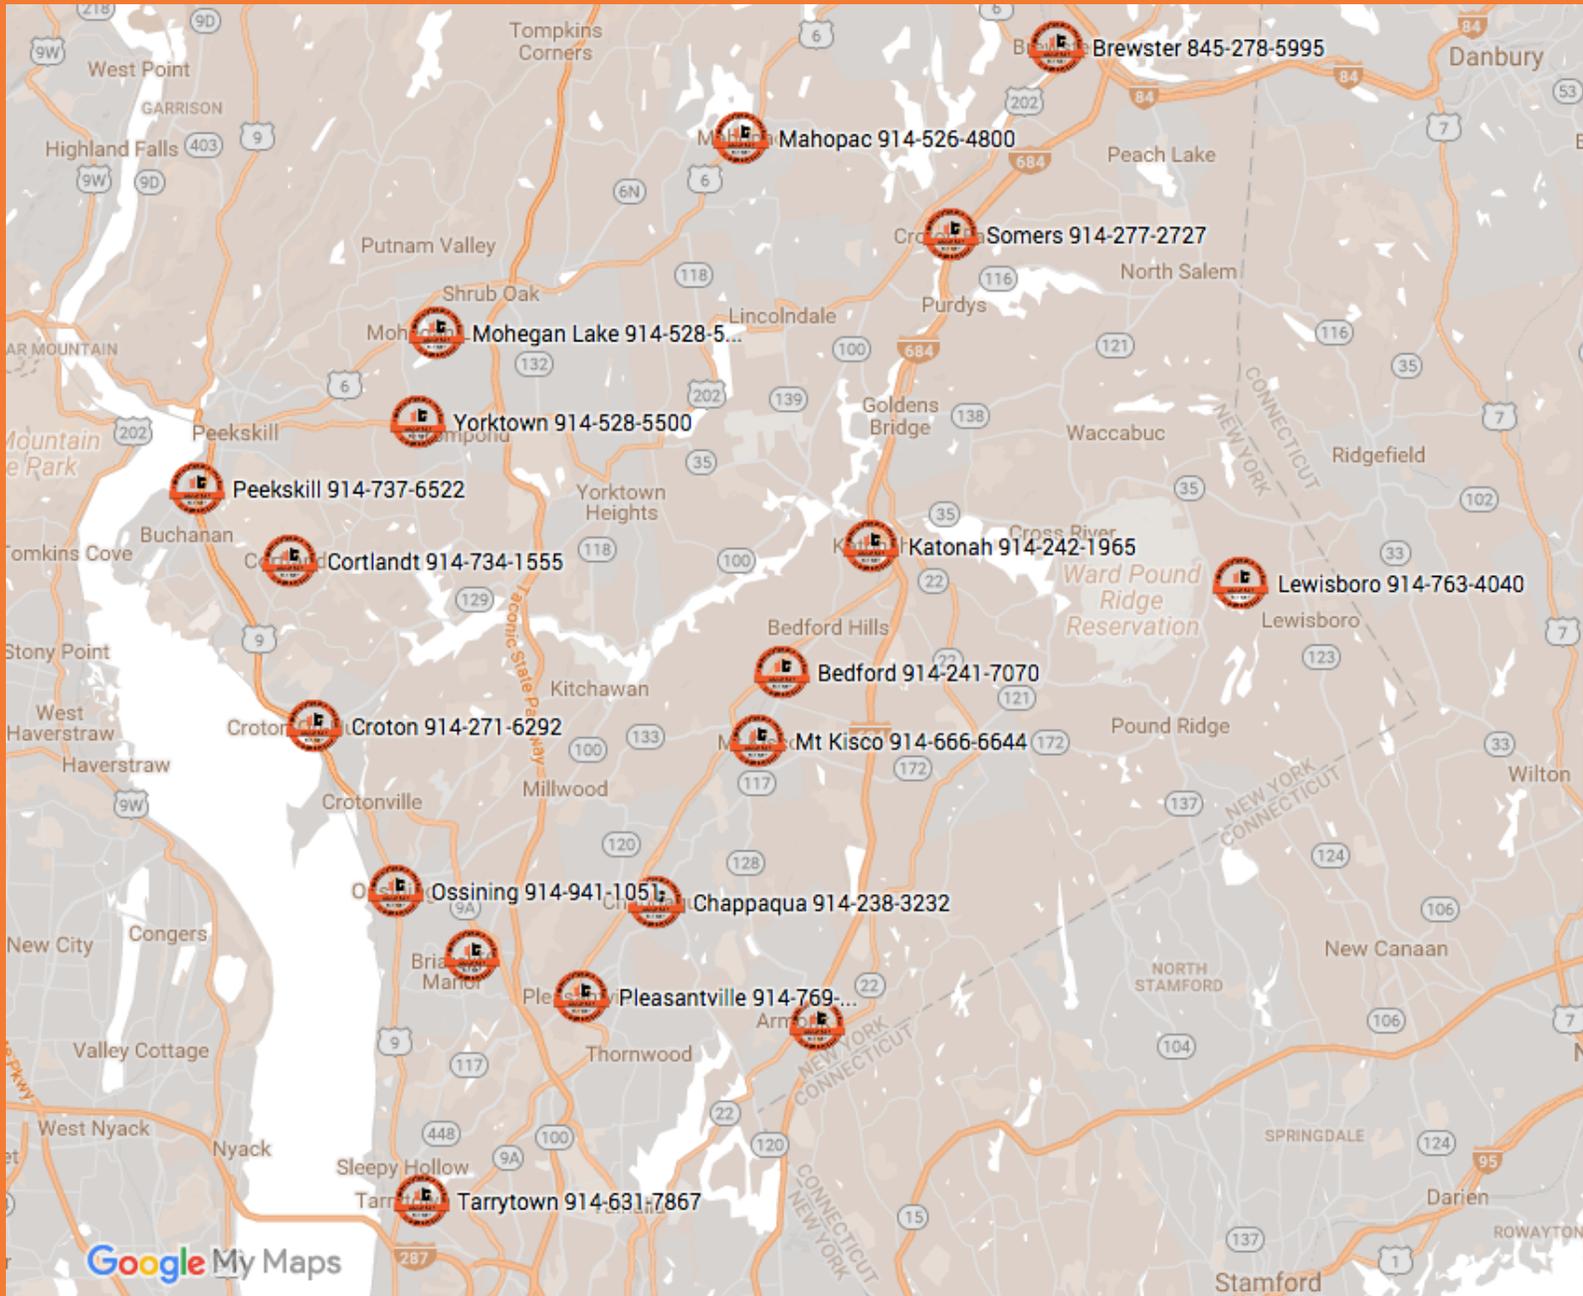

Conveniently located, within the interior of our facility these units near me offer extra protection from all the seasonal elements including: heat, cold, humidity, rainwater, snow and extreme temperature fluctuations.
